## Cutter Suction Dredger

|                              |                     |
|------------------------------|---------------------|
| Length o.a.                  | 151.3 m             |
| Breadth                      | 36 m                |
| Max. draught                 | 6.75 m              |
| Dredging depth               | 45 m                |
| Suction pipe diameter        | 1,100 mm            |
| Discharge pipe diameter      | 1,100 mm / 1,000 mm |
| Barge loading pipe diameter  | 1,000 mm            |
| Submerged pump power         | 8,500 kW            |
| Inboard pump power           | 2 x 8,500 kW        |
| Cutter power                 | 8,500 kW            |
| Propulsion power             | 2 x 3,000 kW        |
| Total installed diesel power | 41,346 kW           |
| Speed                        | 12 kn               |
| Accommodation                | 67                  |
| Built in                     | 2020                |
